

# PERFORMING ARTS PROGRAMME 2010

## Music Courses

**Group Tuition – Why learn in a group?** Working together in a group has real value as the students see and hear individual progress of each other, providing group support and encouragement. The emphasis is on having fun while developing students' musical skills. It enables ensemble playing (duos, trios...) and in practical terms it keeps the cost down. Lessons will be weekly, for approximately **30 minutes**, and an appropriate tutor book may need to be purchased. (*Private lessons offered on some instruments*)

### Keyboard

Students will learn on school Yamaha keyboards. Learn how to play different styles including folk, jazz, classical, rock.

Tuesday from 3.15pm through to early evening M2

### Guitar

One of the most popular instruments to learn, the guitar can amuse the young student for hours on end emulating a favourite musician! A full range of guitar styles will be taught – folk, blues, classical and rock.

Tuesday or Thursday from 3.15pm to 6.30pm Music Studio 1 or 6

### Drum Kit

Playing a drum kit is a dream many students (and adults) have. The purchase of sticks is necessary. A drum kit is not needed to start with.

Tuesday or Thursday from 3.15pm to 6.15pm Percussion Studio

### Saxophone or Clarinet

Learn these popular instruments and have fun with classical, jazz and rock music. Students will need their own instruments. Enquire at Cashmere High School music department for hire of an instrument.

### **Practice**

Learning a musical instrument is rewarding, but practice is an essential part of the process. Tutors will specify a minimum that is necessary if good progress is to be made. A broad guide is 20 to 30 minutes minimum daily.

Parents/caregivers of younger students are always welcome to sit in on the lesson and discuss progress with the tutor and are encouraged to sit with them regularly while practising at home. A regular time each day is good practise.

### **Progress**

Progress will be monitored regularly by tutors. A progress report will be sent home with the student at the end of each semester.

\* *This fee is dependant on number of enrolments for each class.  
For further information on the programme please contact Euan Quaid in the Music Department – phone 337 4713.*
