LEADING LEARNING

## Updated Afternoon Student Supervision Plan – TermTwo 2011

After working through some logistical planning with our colleagues at the Spreydon Baptist Church we have established a roster of daily after school activities and events. These events are designed to provide supervision for Cashmere High School students (particularly those under fourteen years of age) in the after school hours of 1pm until 3pm. Due to prior bookings at a number of venues we are unable to offer a consistent location for these events – but students will be reminded via the daily notices. The school website will also have a copy of the roster below.

The venues are no further than a 20 minute walk from Cashmere High School – hence the 1pm start time for the activities programme. The programme will be supervised by Spreydon Youth workers – along with Senior Leaders and Heads of School from Cashmere High School. Senior students from the Student Council will also be active in supervisory roles. The programme has also received funding from Sport Canterbury, Youth Town and The White Elephant Trust.

The programme is free of charge. Please refer to the plan below to establish the venues and types of activities offered. The start date for these is Mon 23 May.

Please Note: This programme is NOT compulsory for any students. It is mainly designed for Yr9-11 students as Yr12 and 13s will have afternoon tutorials.
