

Discount sports injury care – New deal at the 24 Hour Surgery

\$30 DEAL
at the 24 Hour Surgery for care of your school sports injuries.

\$30 DEAL
at the 24 Hour Surgery for care of your school sports injuries.

- For only one fee of \$30 – you will get a doctor's consultation and an x-ray if you need it. Saving at least \$40
- Loan crutches available if needed on a \$20 bond, refunded on return saving of \$25
- Why wait at the hospital or pay more?
- Attend our sports clinics from 1-6pm on weekends where your wait will be shorter.
- No appointment necessary for urgent problems
- If we diagnose a fracture, we will refer you to our specialist fracture service, where your care by an Orthopaedic surgeon or Hospital Emergency Specialist is free.
- We offer quality care & comprehensive medical facilities with x-ray and a pharmacy onsite

Offer only available for sporting injuries, on weekends and after 6pm on weekdays. This card must be presented and the fee paid on arrival to be entitled to the discount.

A new offer at the 24 Hour Surgery is now available to our students for care of injuries sustained during school sport. The deal gives you an x-ray and doctor consultation for one fee of \$30, access to sports clinics from 1-6pm on weekends designed to give you priority service, and if you have a fracture - specialist fracture clinics are available where consultations with an orthopaedic surgeon or emergency consultant are free. Offer available after 6pm weeknights and anytime on weekends. No appointment necessary

Discount cards (as shown above) are available for students from the sports team department and school nurse. If you do not have a card and need to see a doctor after hours for a sports injury, visit the 24 Hour Surgery and tell them you are from our school and the discount will be made available to you.
