

Cashmere High School Sports Programme desperately needs parents' support!

WE WANT YOU ON OUR TEAM

We really need your support to run our sports programme at Cashmere. There are so many students wanting to participate in the sports we offer. However, we sometimes have to restrict the number of teams and players because of a lack of human resources. If you are even slightly interested in getting involved in a team: coaching, managing, refereeing, keeping scores, transporting students, fundraising, writing letters asking for sponsorship, cutting oranges, bringing water bottles on the field, cleaning uniforms, etc.....

We would appreciate any help you can offer. Please come along to watch your child's game, and talk to one of the staff on the side lines. Or please contact **TAKA KUZE**, the Sports Co-ordinator, by phone or email anytime at school. My contact details are as below; We look forward to hearing from you soon.
