### Painting with Acrylics

\$70

This course is designed for beginners and working artists alike. I am passionate about art and the creative process and encourage students to explore their own particular ideas and inspirations. Learning about colour and how to use it is such an enjoyable and also necessary tool for any art work. I have been particularly drawn to the study of colour and I am excited about being able to share with students what I myself have learnt.

Material list will be emailed or posted out.

## MUSIC COURSES

Music classes are offered for beginner and intermediate musicians. Emphasis is on learning, enjoyment and participation in a friendly musical environment.

### Instrumental Tuition

Most lesson times are 15 to 40 minutes, depending on the group, any time from about 6.00pm onwards. Tutors endeavour to work times around other activities in the programme in which students may wish to be involved. You will be contacted by the tutor before the first class of the course and given your class time.

### Ensemble Performance

Orchestra and String Ensemble provide opportunities for ensemble activity. This enables students an opportunity to use the skills they have learnt and to enjoy making music with a variety of people.

### Theory of Music & Music Appreciation

All students are encouraged to join in the Theory class for a greater understanding of music and appreciation of a great range of musical styles.

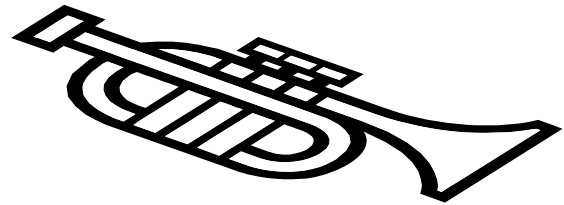

### Semester Dates

There are 15 weeks in each semester:

#### Semester 1

Mon 15 Feb – 29 Mar & 26 Apr – 21 Jun  
Tue 16 Feb – 30 Mar & 27 Apr – 21 Jun  
Wed 17 Feb – 31 Mar & 28 Apr – 21 Jun

### Concerts

Most classes complete each of the two fifteen week semesters by combining to present an informal concert in the school's Performing Arts Centre. Friends and families are invited. Admission is free.

### Concert Dates

These take place on the last Monday evening of each semester.

**Semester 1** Monday 21 June

**Semester 2** Monday 6 December
